

Self-Declaration

We, at **TERCELHERBS PRIVATE LIMITED**, hereby declare our commitment to ethical business practices and our strict adherence to all applicable laws and regulations. As a responsible direct selling company, we affirm the following:

Product-Centric Business Model: Our business operations are entirely focused on the sale and distribution of high-quality products. Our representatives earn commissions and incentives based solely on the actual sales of products to consumers. We do not engage in or support any pyramid schemes or money circulation schemes.

Compliance with Laws: We comply with all relevant laws, regulations, and guidelines governing direct selling activities in the jurisdictions in which we operate. Our operations are conducted in full alignment with the Direct Selling Guidelines issued by regulatory authorities.

Commitment to Ethics: We maintain the highest standards of integrity and ethical conduct in all our business activities. Our representatives are trained to promote and sell our products honestly and transparently, ensuring a positive experience for our customers.

Consumer Satisfaction: The satisfaction of our consumers is our top priority. We provide high-quality products and services and ensure that our consumers receive clear and accurate information about our offerings. We have established a robust mechanism for addressing consumer grievances and ensuring their prompt resolution.

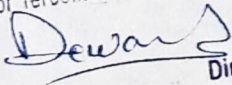

No Pyramid or Money Circulation Schemes: We unequivocally state that we do not engage in any business model that involves the recruitment of members primarily for the purpose of earning money through enrollment rather than the sale of products. Any form of recruitment-based earnings without actual product or service transactions is strictly prohibited.

Transparency and Honesty: We maintain transparency in our business operations and ensure that all our representatives and consumers are fully informed about our policies and practices. Our compensation plan is designed to reward genuine sales efforts and is communicated clearly to all stakeholders.

This declaration serves as a testament to our unwavering commitment to ethical business practices, compliance with all relevant laws and regulations, and our focus on delivering high-quality products to our valued consumers.
